

## One Key Idea: ISTQB Agile Program

A Free RBCS Webinar

Agile methods have become widespread over the last 20 years, but it's taken a while for testing to catch up. However, Agile testing best practices have emerged, and the ISTQB Agile Working Group has taken on the task of capturing those for you. In this brief webinar, Rex Black, Chair of the ISTQB Agile Working Group, will explain where the program has been, where it is now, and how it is evolving to support Agile testers in their careers. In twenty minutes or less, you'll learn how the ISTQB Agile syllabi can help you advance your career as an Agile tester.
